[Entered at the Postoffice at Wheeling, W. Va., as second-class matter.] wanted for Judge Fleming.

WHEELING, AUGUST 29, 1889. PERSONS going out of town for the nummer can have the DAILY INTELLI- flying, according to programme. Votes GENCER mailed to them for 65 cents per are being thrown out, not because it has

THE City of Paris has given the other has been shown that they voted for Goff. ocean greyhounds another record to beat. Presently we shall breakfast in New York and take our evening chop in Liverpool.

month. The address of the paper will be

changed as often as desired.

On the theory that the Third Party is made strong by defeat, it will be much stronger after the next election. It goes a Goff ballot for every man of them, should be the same with its running to make the Democratic contestant Gov

CAMPBELL has the Democratic nomination, and Foraker will go right on being Governor. A man who voted for the Mills bill is not enough of a Protectionist to be elected Governor of Ohio

CARNEGIE, Phipps & Co. are going into the manufacture of steel railroad ties, already largely used in Europe. The steel ties will cost about three dollars favor. More than this, and the vital against wooden ties at from forty-five to point of it all, it has not been shown that eighty-five cents apiece, but it is claimed that the steel tie will last for twenty years. It will not be long before this that they are colored men, and that men pranch of the steel industry will reach of their race "have the general reputa-

Some side-lights on Mr. Campbell's career furnished by members of his own reason, all law and all justice. It emparty will come very handy to our friends over the river in the present campaign. As Governor Foraker goes over the State, speaking in every county of it, he will take from the mouths of Democrnts some captivating topics, and he They have set out to do an evil thing will give Mr. Campbell cause to grieve and they are doing it, relying on their over the tell-tale freedom of certain tongues in his own household of faith.

SOMEBODY thinks it strange to find Senator Gorman and Mr. S. B. Elkins any self-respect, any regard for their riding together-over the railroad in which they are both interested, good own rights under the law, they will emnaturedly chaffing each other on poli- brace the first opportunity to make tics. This somebody evidently thinks mince-meat of the party which has content because men differ in politics and ceived and executed this bold burglary strongly oppose each other in politics, and consents to make use of the stoler they must have no business relations, in fact must "never speak as they pass by." This is not our American theory of politics. Republicans and Democrats are not Guelfs and Ghibellines nor Capulets and Montagues. uniform in noting a continued free movement of pig and finished iron and

The several committees of Council The several committees of Council seem as jealous of their jurisdiction as though each represented a different sorcreignty, as for example, one the Emir of Bokhara, another the Khan of Khiva, throughout, and the outlook flattering

ere was no Council meeting Tuesday night. Democratic managers in West Virginia,

voters, for the law or for public opinion.

Superintendent of Telegraph Bradley, of the Western Union, and Chief Engineer Stater, of the Fennsylvania Company, accompanied Superintendents Typlor and Lorce on their four along the river road yesterdyr. They were all comfortably quariged in Superintendent Taylor's private car.

Thesday right two unknown men took some stranger, who was very drunk, and left him in the Cleveland & Pittaburgh yards in such a position that he would surely have been killed had an ongline cause along. Fortunally he are not a complex cause along, and the surely have been killed had an origine to the surely have been killed had an origine cause along. Fortunally he was a restaurant Tuesday night for something to eat. While there he drank a glass of beer. He had previous to drinking exhibited some money. After drinking the beer he became dased, but had presence of mind enough to leave right away, atthough the bar keeper did not want him to do so. After an hour or so his brain cleared of the effects of the drug which he says there is no doubt of was given and he off or the prevent work. The man is a well known frummer.

Transfers of Real Estate.

Three deeds of trust and the following conveyances of real estate were admitted to record yesterday by Recorder Hook:

A deed made August 28, 1889, by Henry A. Jones and wife, to M. R. Wolff, in consideration of \$1,400, of lot No. 1 in square No. 2, in Glichrist's addition No. 2, fronting 43 feet on the west side of North Front street; also the north 17 feet off of lot No. 2 in square No. 2, in the same addition and fronting on the same street.

ame street. A deed made August 7, 1889, by H. J.

the industry continues prosperous for Bokhara, another the Khan of Khiva, another the Caliph of Bagdad, another the Khan of Sandara, another the Caliph of Bagdad, another the King of Boorioboorlaga, and so on around the charmed circle of powerful potentates.

It has been so in other Councils, probably will be so in more. The public welfare is the thing of importance, not the glory of committees of Council. The people are not greatly interested in magnifying committees; they want results, the most and best they can get for their money.

Harrison is crestdent.

A Pennisylvania politician learns that Chairman Quay is so disgusted with President Harrison that he is ready for anything to beat Harrison. The cause of the disgust is represented to be that Quay thought he was to be the real President, and that Harrison prefers to attend to that end of the business him-

and acts directly on the blood and mucus surfaces of the system. Send for testimonials, free. F. J. CHENET & Co., Toledo, O. Sold by Druggists, 75c. DAW Half Rate Harvest Excursions
